To All the Wagoner family. I have dealt with Ted for more years in the steel business than I care to admitt! Never a more honest and caring person in our industry have I met. Ted had a great sense of humor but could show his softer side when you needed it. I have missed talking to him for the last few years but am happy he has gone on to a place of peace with no more pain. Rest in peace big guy and hope they send you off with your favorite hat.
