“ Many blessings came to the Addis family when Thelma and Ted Moody along with their Family moved in next door :-) Small packages like Thelma Moody flourished into a good Friendship for me and Thelma. I learned a lot from Thelma on how important Family should come first, as I was just starting my Family. We worked together for a while and I saw her Integrity shine through as her amazing work ethics that she was proud of and so was I proud and Thankful for her. I remember my Mother calling out to Thelma between both Kitchen windows in the morning...Thelma, are you there? My Mother loved your Mother, it was a good bond. I shall Honor your Mother with the greatest of respect❤️ May all of you be guided by the strength, courage, love and laughter to Carry On that your parents instilled within you, during this Transition of your Mother/ Grandmother Thelma Moody. Peace to your heavy hearts
