“ I have many fond memories of my brother tom. But only one sticks out ahead of the rest.when we where kids.we would sit in his room all day playing with his army men.he had bags of them tanks, jeeps, etc. He even had the plastic mountain and the big cannons from the movie battle of the bulge.and he would play jhonny hortens greatest hits on his record player and we would listen to it over and over.his two most favorite songs where"the battle of new Orleans"and, sink the Bismarck.and we would play those wars out from the songs with those little toy soldiers. Then he grew up an became a soldier. We all new he would.atleast I did.all's he ever wanted to watch on tv was mash, hogens heroes, baba black sheep.his hole life was based on anything military.im sure going to miss telling him my problems. Over in out captain tom.your mission is accomplished.
