“ Thank you Dad for always being there when I needed you. Whether to lend a hand or an ear; offer your perspective and wisdom without judgement, and give me the push of strength to “pull up my boot straps” and carry on with pride. I am appreciative of the person you’ve helped me become. Rest easy dad Knowing you’ve helped raise a strong woman and that I am thankful to God making you my dad. I’m going to miss your dad hugs ... I love you
