“ *We are so saddened by this terrible news. Growing up he was like another brother. Our families spent a lot of time together. The Hendon reunion will not be the same. He was always the first relative to stop by our campsite with his great smile. He always said the prayers before our feast. Just being around him you could feel his deep faith. Wish we could find the words to lessen your pain. Take comfort in the fact he is with our Lord.*

Sincerely, Don & Cathy Burt
