“ We have such great memories of this special guy. His laughter filled any room; his ‘signature’ dance moves entertained us all; his love of Holly was a badge he wore; family was first; and he adored his Pam. The world lost a truly bright light!

“ Todd you were such a great friend to my grandpa and I have such fond memories of you since I was a kid. Your voice was a one of a kind that I could always pick out in a crowd and your smile was infectious and light up the room. I appreciate all the help you gave with my grandpa after my grandma passed and I know he was a stubborn one. Now do me a favor and go haunt "Sherry Green."

Todd was one of a kind. Always kind, considerate, and thoughtful. When my brother, Kenny, was ill I rode up to Alpena with Todd a couple times. Under the sad circumstances of that drive up there he made me laugh and shared some experiences he had with my brother. I will miss his PM on FB and his FB posts. My heart truly aches for his family. Rest in Peace Doc. Love you. Always have always will. Judy Parks
