“ Very sorry to hear of Traci's passing. We get up together, living right next door to the Parker Family. One thing I can say for sure is Traci knew how to live. We always had so much fun and laughter with whatever we did. My deepest condolences to her family and all that knew & loved her. God Speed. ❤️❤️❤️

“ Traci has been my neighbor for 6 years over that period of time we have become good friends. she was like an aunt to my five kiddos. everytime we saw each other we would end up talking for hours about everything. our family's would get together her grandchildren and my kids would play. we will miss her so much but know she will always be in our hearts. we have so many great memories with her and love her very much!!
