“ Grief never ends, but it changes. It is a passage, not a place to stay. The sense of loss must give way, if we are to value the life that was. This truly hits home... Grief is a passage, not a place to stay. Of all the roads in life, it is the hardest to go down but it still leads us on!

“ So young.... yet I know there must be a better plan for you in heaven. My heart aches every day, I dont feel no regret as you know I always told you I loved you. You always made me smile, your hugs when I was in a sad mood, your funny jokes when I was in an angry mood, just to make me laugh and get over it. There is so many memories I have a hard time just pin pointing one, so the last fun one, us going to chuckie cheese lol.... you were just like one of the kids, playing with Madison, Aiden and Aja.... I love you trevor....
