“ *I am so sorry to hear of Sue's passing. She was the head clerk at the post office when I was hired, and I admired her way of working with the public . I remember most her laugh, her love of animals [especially birds]. and her tender care for her mother. I am sending prayers for her family.*

“ I have only met Ursula one time and that memory has stuck with me because she is one of the great ones and her spirit will forever be bound to the universe to spread love and compassion to all she touches.

“ Richard, Shelia and families: I am so sorry to hear of your Mom's passing. She was one of my first friends back in the grade school days and we still kept in touch, talking on the phone just 10 days ago. I remember rocking you to sleep, Richard, when you were a baby and had colic. And Sheila, you were such a great hostess at your Mom's 60th Birthday party. Your Mom was so proud of both of you and loved her Grandchildren so much. She was such a caring, warm and loving person, especially with all animals. I count myself as blessed to have shared over 60 years of friendship with her. We will all miss her terribly. DiAnne Blankstrom Thomas.
