Your husband and children radiat the love and support you have always given them and it will always live on!

To Mr. Barton, Holly, and Tom: the three of you are amazing! My deepest condolences and love to you.

“ I look at your mother's picture and I just can't believe that she is gone. I got to know her when I played for the Linden SDA church, she was always so kind and thoughtful and seemed to have so much spunk. It won't be long until we see her again and there won't be anymore separation. be faithful and be prepared to meet Jesus as well.
