“ Dear smoochie, I will never forget the time you came to dialysis and forgot to put your teeth in. I didn't say anything cause I did not want to embarrass you, when you left you stopped to eat and and that's when you noticed your teeth were missing. The next treatment you gave me hell for not telling you. We laughed and teased about that for months. I am gonna miss your beautiful smile, sense of humor and huge heart. Rest in peace my friend. Love you, Scott Dimond Fenton Davita.....
