“ Violet is the last to part this life of five sisters. My Grandmother and Violet's sister, Leoda Mae Dye King Carnal, loved her very much and enjoyed the time she spent with Violet and Clarence on their vacations in Florida, and when she traveled to their home in Minnesota. Although the sisters were all far apart in where they lived, they were never far apart in each other's hearts. I am confident that they are catching up on hugs, smelling spring flowers, and walking in heavens gardens.
