“ *How do I say goodbye to you, I am so thankful yo have you in my life. You drove home from sports, helped me get my first job as a waitress. No matter how bad I was you just kept helping me. You took me up north and ran down the river with me as we assisted in the canoe race. One summer you taught me how to teach Vacation Bible school. When I found out you passed I was at work, as I sat there and cried all I could think about is I can't go home, she would be so angry at me if I went home, she instilled a work ethic in me, moral campus, softness and love. ❤️*

“ Ginny was such a wonderful lady. I have many fond memories of her from working at Cam's restaurant when I was a kid. She was the cook, I was a waitress, to selling Shaklee. Mom always talked about what a cute little girl she was and how she loved to be at the Mills house when her parents were busy running the Dairy Dine. My deepest condolences. With love Chari Beecher
