“ *Uncle Wayne was so special to all of his nieces and nephews in Colorado. We loved when he came for a visit and he always wore his cowboy hat and was so full of life. When Dad and Uncle Wayne were together, the laughter never stopped and we all believe they are sharing stories and laughing now in heaven.*

“ My thoughts and prayers are with you all. All I can hear is the laughter in heaven. Soo glad Uncle Wayne is with my dad. I have been blessed with twin granddaughters and twins certainly have their own bond. I could see it with my dad and Uncle Wayne. He will be missed.
