“ Guess I will put another memory here, can't find the one I did. Mom, I miss you so much. You were the best mom ever. I will miss you beating me at cards and the twinkle in your eyes when you used all your cards in the skip - Bo game. Wish you were still here but I guess it was your time. I love you bunches and bunches.! Love from Gloria

“ Mom was the best mother a person could have for a mother. She loved playing ski-bo cards. She would laugh and raise her eyebrows when she would use all her cards. I will miss playing that with her. She loved going to the grocery store to buy all her goodies also. Her gardening she loved doing and would can all her stuff and fill her fruit cellar up. Most of all I will miss her beautiful smile. Love you bunches mom!!❤️❤️❤️❤️❤️
