“ I am very sorry to hear of Bill's passing,had been wondering a lot lately about what he'd been up to.Hadn't heard from him in a few years-he would call once in a while or make a random trip to Ortonville-and it seemed as if he had never left.Lots of memories of years gone by.Your letter was beautiful and I am glad to know that he had such a good friend to care for him.Being in Hospice-he must have been quite ill-Praying that he did not suffer.Hospice workers are amazing and hearing you and family were with him is comforting.You sound like his angel on earth and now he is watching over you!Thank you for being his friend and being with him.BLESS YOU! An old friend from long ago,Pat Reed
