“Dad, I still can't believe that you're gone. It's been 5 years but it still hurts like it was yesterday. You were my very first best friend and you will forever be my hero.

Hi Dawn..... it's your former neighbors from across the street. I didn't know that your dad had passed that. I'm so very sorry that Brad and I didn't send condolences earlier. After we moved to Florida, we weren't in touch with him very often. I just wanted to let you know what an absolutely perfect neighbor & also, a wonderful person. Brad and I were both very fortunate to have him in our lives for so many years. We hope that all is well with you. Thinking of you!

“I met Bill shortly after moving into Hawaiian Gardens. We lived two doors down before we moved in July 2017 and were neighbors for eight years. He was one of the best neighbors ever. He took great pride in his home and his yard. He was very kind and generous to the people in his life. I always enjoyed our regular talks about gardening and life in general. It saddens me deeply that he is no longer here with the people who love him but it also brings me great joy that he is with loved ones who have already departed. Until we meet again Bill. You will be missed.

“ *My brother was a very kind, loving, thoughtful, generous (to a fault sometimes) man. I am so grateful for all the friends he had from Kmart. They came right out to see him when he needed them the most. I am going to miss you so much my dear brother. Rest In Peace. 💔💔*

Although I moved away almost 20 yrs ago, always remember Bill and K-Mart family. He was a great boss. They don't make them like him anymore. My sympathy to his family.

“ Dawn, Your Dad was the first person Mike met when his dad was transferred here from Atlanta Georgia by GM in 1959. Over the years Mike and I had so much fun with your Dad and Mom . Mike passed away and then Judy passed away and now Bill is gone, There is a giant hole in my heart. Your Mom and Dad were great people and great friends. Bill is with Judy now (the love of his life) and Rick. He was always fun, kind and a great friend I will miss him. Love, Connie

“ Bill use to make crafts, and I would paint them, The 1 project that took the longest was the Halloween train, we started it in May, and there were so many pieces and so much detail that we didn't think we would have it finished by Halloween, but by sheer luck we finished 2 weeks before and Bill got to use it in his display. Bill always had beautiful displays for all the holidays, his favorite was Christmas, and Judy's was Halloween
