“ Pam and Missi,
Well sorry doesn't say it. I know you already miss your dad. I knew him from the time I was 8 or 9. He started dating my sister. Who he latter married. Such a great guy. He loved all of you guys so much. One story I can tell you about us when I was about 10, I was confined to the dinning room table after Sunday dinner. I could not leave the table until I ate all of my cauliflower. (I hated it). After a few minutes your dad came in the room popped the cauliflower in his mouth and I was free from confinement.
I hate that we are not able to attend Saturday. We will be thinking about you. I know if he was here we would still be talking about lions foot ball. I do miss his conversations. Go Lions!

“ Donn became my brother'n law 31 years ago. He and Pat welcomed me to the family with open arms. We shared a lot of jokes back and forth with each other. He talked about his church and God. He loved his family well. He will be missed. Our loss is Heaven's gain.

“ Mr. Thurmond was my Sunday school teacher growing up at First Baptist. I absolutely adored him and Mrs Thurmond. He always had a smile on his face and a way to make you smile or laugh. The love of Jesus shined brightly through him, his love for others was evident. He will definitely be missed but I know they are celebrating in heaven having him home with the Lord!

Donn & Pat were our friends of ours for all the years they were at FBC. They were still working with youth when our granddaughters came along & influenced them to live a Christian life. He is already missed so much.

When I think of my decades at First Baptist/Woodside Bible Church, I think of Donn and Pat. They were always a source of joy and laughter. Donn's sense of humor and joy of serving the Lord were a true blessing to FBC and all those fortunate enough to enjoy his friendship. He will be missed but we are blessed to have the assurance that he is with the Lord and we will see him again.
