“ Yvonne was an amazing mother and grandmother. Even my own daughter seen that. My daughter told me Yvonne was a mother everyone wants to be Always putting her children first and never complained while helping out anyone that needed her help That's the amazing woman she was. She will be missed. But left an amazing act to follow. She will always be in many hearts Keep your wings flying

“ I have fond memories of your mother and I when we were younger she and I went deer hunting with your uncle Donald and had the most awesome time and then she went with some friends of mine and hers to go see ZZ Top at Joe Louis that was a great time. but then life got away from us and we didn't keep in contact but I always ask your aunt's (lesia and linda) how she was doing she will be dearly missed ❤️

“ I have so many memories of Yvonne, they started way back when we were so young.
She was the strongest, funniest most caring person I know.
I had the privilege of spending a lot of time with her.
It didn't matter what was going on with our life's, she always had me laughing.
She loved her children, grand children, spouse and family so much.
She put them before herself always.
I definitely with miss talking and laughing with her.
I love her like a sister... praying for her children, grand children and Bob 🙏
